

Dispatch Supervisor/CAD Systems Specialist (Promotional) Tompkins County

Department: Department of Emergency Response
Classification: Competitive
Labor Grade: White Collar grade 14
Approved: Title changed from Dispatch Supervisor 1/3/12
Revised: 8/14; 10/16
By: AF, Commissioner of Personnel

QUALIFYING EXPERIENCE FOR TAKING THE PROMOTIONAL EXAMINATION:

Admission to this departmental promotion examination will be limited to current employees of the Tompkins County Emergency Response Department. Applicants must currently hold, and have held 36 months of permanent and/or contingent permanent competitive class status as a Dispatch Supervisor or 72 months of full-time permanent and/or contingent permanent competitive class status in the title of Emergency Services Dispatcher or an equivalent combination as determined by the Commissioner of Personnel.

Tompkins County is Committed to Equity and Inclusion. We encourage those with similar values to apply.

SPECIAL REQUIREMENTS:

- (1) Must successfully pass a post offer of employment (in accordance with the ADA) psychological evaluation, as well as a medical evaluation that will cover, but not be limited to, such areas as: vision, hearing, speech, and physical ability to sit for long periods of time. The employee is required to maintain the physical and mental ability to perform the essential functions of the job (either with or without reasonable accommodations) for the duration of employment.
- (2) An applicant must be eligible for all NYSPIN certifications and/or eJustice portals at the time of application and, if hired, must maintain such eligibility for the duration of employment.
- (3) Applicants must possess CPR and Emergency Medical Dispatch (EMD) certification at the time of appointment and maintain such certification for the duration of employment.
- (4) An applicant must successfully complete all mandatory in-service training as required and provided by DOER.
- (5) New hires and re-hires must pass a drug test.
- (6) Must obtain certification as a CAD System Applications Administrator through the department's CAD Systems vendor within one year of the date of appointment and maintain certification for the duration of employment.

DISTINGUISHING FEATURES OF THE CLASS:

The primary responsibility of an incumbent in this class is to receive and record 9-1-1, police, fire and emergency medical service (EMS) calls and dispatch the appropriate police officers, firefighters, paramedics, and equipment to the scene of an incident. In addition to the primary responsibilities of Dispatch Supervisor, the incumbent will implement training, quality improvement and quality assurance programs, and perform administrative and technical duties in researching, recommending, installing, integrating, and trouble-shooting hardware and software in support of Tompkins County's Computer-Aided Dispatch (CAD) system. The incumbent will work closely with the Director of ITS, Public Safety Systems Administrator, GIS Administrator, and other jurisdictions within Tompkins County, including local, state and federal agencies, to support a collaborative public safety system. This position requires a thorough knowledge of CAD software applications, operating systems, and the ability to translate/train supervisors and dispatchers in CAD applications. This employee will also serve as a lead dispatcher on a given shift providing direction and guidance to other dispatchers. The incumbent is required to operate computers, related peripheral equipment, radios, telephones and a variety of other emergency communications equipment in order to receive and relay police, fire, emergency medical service and other personnel to incidents and emergencies. Dispatch Supervisors/CAD Systems Specialists must maintain a high degree of alertness, accuracy and a steady demeanor in responding to crisis situations. Dispatch Supervisors/CAD Systems Specialists perform a variety of clerical duties related to their communication functions. The work is performed in accordance with established policy under the general supervision of the Communications Center Manager. The incumbent will perform all related duties as required.

TYPICAL WORK ACTIVITIES:

- Maintains a high level of alertness at all times, as is required by the nature of the job;
- Perform all aspects of the position of Emergency Services Dispatcher and Dispatch Supervisor;
- Supervises shift operations, including checking the work quality of persons on shift;
- Monitors various systems in the Department of Emergency Response building and the 9-1-1 Communications Center, trouble-shoots problems and make appropriate notifications, as needed;
- Assigns staff to dispatching positions for respective shifts;
- Approves time off requests, schedule the relief Emergency Services Dispatcher, perform overtime call in for emergency coverage (i.e.: sick time) and arrange for staffing for vacations and other non-emergency coverage;
- Approves time cards for dispatchers on their respective shifts and forward completed time cards to the Communications Center Manager;
- Prepares the annual shift selection and master schedule for the Emergency Services Dispatchers;
