DISTINGUISHING FEATURES OF THE CLASS:

This is an administrative level position that involves responsibility for the performance of a variety of complex and highly confidential clerical, accounting and administrative tasks in support of the Town Supervisor. The essential nature of the work is such that a substantial degree of personal confidence exists between an incumbent in this position and the elected Town Supervisor. Internal and external contacts occur on a regular basis. There is frequent interaction between this position and the senior level and management staff of other Town departments and various external agencies. An incumbent in this class exercises considerable autonomy when performing the duties of the position. Broadly stated guidelines are available, however, the incumbent is regularly required to initiate new work procedures and methods. Unusual problems or situations are analyzed and discussed with the Town Supervisor in order to determine the appropriate course of action to take. The work is performed under the general direction of the Town Supervisor with wide latitude for the exercise of independent judgment. Supervision of others is not generally a function of this class. The incumbent will perform all related duties as required.
