DISTINGUISHING FEATURES OF THE CLASS:

This is moderately difficult clerical work involving the independent performance and supervision of a financial account and record keeping process. The work may require decision-making as to methods to be used and classification of records and accounts. This specification encompasses two titles; Senior Account Clerk and Senior Account Clerk Typist. The main difference between the two is that a Senior Account Clerk Typist spends a substantial amount of time operating an alphanumeric keyboard such as a typewriter, word processor or personal computer in the performance of their duties. The incumbent works

under general supervision and may super-vise and train lower level clerical workers. This position differs from Account Clerk in that duties are more complex; level of responsibility is higher and supervisory responsibilities may be included. The incumbent will perform all related duties as required.
